BLCK CFFE FEST 2025

More than a festival—it's a
movement brewed in community.

MEET THE BLACK COFFEE COMPANY

The Black Coffee Company

Serving purpose with every pour since 2018

We are a proudly Black-owned business founded in 2018 with a dual mission: to serve premium, organic coffee and to drive meaningful social change. More than a coffee brand, we are a movement rooted in **community, culture, and empowerment**.

We reinvest into the communities we serve through **financial literacy programs, entrepreneurship workshops, and education-based outreach**, creating pathways to generational wealth and self-determination.

In recognition of our impact, The Black Coffee Company was awarded a **\$25,000 investment from Operation HOPE Ventures** in 2024 as part of the *One Million Black Businesses (1MBB)* initiative—affirming our **leadership in the future of Black entrepreneurship**.

ABOUT THE FESTIVAL

From June 13–15, 2025, The Black Coffee Company presents Black Coffee Fest—our annual celebration of community, culture, and connection.

This year's focus is clear: community is the priority. We're creating space to uplift all voices—especially the women, LGBTQ leaders, and culture shapers who continue to drive impact and inspire change across our neighborhoods and networks.

The three-day experience kicks off with a Friday evening reception, followed by a Saturday marketplace featuring Black-owned vendors, live performances, and community programming. On Sunday, we wind down with intimate coffee talks, and honest conversations designed to nourish, reflect, and empower.
